Commissioner for Patents

Drawings are present in the application and are referred to in the Detailed Description of the Invention, but the specification does not contain a self contained Brief Description of the Drawings as required by 37 CFR 1.74 and 1.77(b)(8). In the instant case the Specification should be amended to include a section "Brief description of the drawing" and the text of the description of the drawing, as found on page 6, lines 31-33, of the specification should be included in that section.
